

York Rally 2017

Free cycling fun!
Rides, races & activities for
all the family.

24-25 June 2017
Knavesmire
York

A free, friendly celebration of cycling

The York Rally is a grand weekend of grassroots cycling which has been held on York's Knavesmire almost every year since 1945. It's run purely for the love of cycling by an **all-volunteer team** from across the North of England, and it's a fantastic free day out whether you cycle already or not. **Entry, parking and almost all activities are completely free!**

A top class racing venue

Many great Olympic and Paralympic cyclists started out on grasstrack circuits like the historic **York Rally Arena**. Hundreds of children will start that inspiring journey at the Rally with our young rider **taster sessions** and races. **Watch or join in** yourself with British Cycling Go-Ride, Yorkshire Cyclo-Cross and many friendly local clubs.

Bag a bargain

Looking for a new bike, or some classic components? Find bargains, and the latest technology including electric bikes, at the Rally in the **trade show, cycle jumble and auction sale!**

Go for a ride!

Safe, short **traffic-free rides** for families head out from the Rally - plus longer rides for fitter cyclists. Most are led by experienced volunteers and all include plenty of stops for tea and cake!

Meet, eat and enjoy

At the Rally you can meet cycling friends old and new, enjoy the **family atmosphere**, watch **live music**, fill up with **food** and try the **real ale bar**. Don't miss the **talks** and **performances**, club **displays** and amazing **historic bikes**, and if you can stay for the weekend there's a **campsite** on site!
