ENTHUSIASTS

YOU ARE WARMLY
INVITED to the
historic York Rally,
*"the grand all-
cyclists meeting"*.

LOAD CARRIERS, RICKSHAWS
& TRAILERS.

We're using *pedal-power* to transport everything we can to the event, so *trailers* and *load carrying machines* are welcome.

We're particularly interested in your *school-run bikes* and *trikes*, and any other options for *the kids*.

HANDCYCLES & ALL-ABILITY CYCLING.
Adaptations make cycling *possible for just about anyone*; bring your own adapted cycle, or come and see how others have achieved *independent mobility* by bike.

TOOLS & DOMESTIC APPLIANCES.
We'd like to see all types of pedal-powered creations; *washing machines, generators, woodsaws, lathes, drills &c.*

RECUMBENTS & HPVs.
As well as our *tarmac racetrack*, we've *miles of gently undulating cycle-paths*; ideal to demonstrate *aerodynamics* and *recumbent technology* in *spectacular surroundings*.

BOATS & FLYING MACHINES.
Pedal-powered boats may be accommodated on the *River Ouse* by prior arrangement. We regret *pedal-powered flying machines* may only be exhibited *on the ground*.

CAMPING ON SITE.
Entry is free of charge. Camping pitches for *'lightweight travellers'* from £25 (*come on your bike*), pitches for motor vehicles from £30.

Trade stalls also available.
Modest bursaries and help with travel expenses may be available for *appropriate inventions*, please contact us for details.
