

Grasstrack racing has returned to York!

We are proud to invite cycle racers of the National Endurance Grass Track League and the National Short Distance Grass League to compete at the historic York Rally! This event with a 70-year heritage is back for 2015, run by a new, independent group of volunteers.

The grasstrack racing arena will be the centrepiece of the revived Rally, and we hope for a top class field. Adult/Junior (male and female) racing will be on the Saturday, and Youth racing on Sunday, all under the experienced eye of organiser Dave Bishop.
