Below: Some of the York Rally Committee at a meeting in September 2014. Our meetings are open to all and everyone is welcome! See the website or contact us for details of upcoming meetings.

We're delighted to welcome you to the 2017 York Rally!

As most of you will know, the Rally was revived from scratch in 2015, after a few years away, by an independent all-volunteer committee of cyclists, with the help of the "Friends of York Rally" supporters club, and with huge goodwill from the cycling community.

Now our hard-working team are staging a third Rally, and also hosting a National Championship! We're delighted to welcome young racers and their dedicated supporters for the British Schools Cycling Association Grasstrack Championships, on Saturday. They'll join the Yorkshire Cyclo-Cross Association (on Sunday) and many other grassroots cycling organisations who come to the Rally with their rides, racing, displays and talks, and who are all an essential part of this great gathering of cyclists along with all of our traders, caterers and contractors.

The work involved in staging the Rally is considerable, so we do rely on you volunteering, and supporting us, to continue to make it happen. So please come forwards and volunteer at Rally HQ - and join the organising team if you can! We'd particularly love to hear from anyone with fundraising experience. We make sure the Rally pays its way, but some extra help would make everything easier.

Finally, thank you again for attending the Rally. This is a grass-roots, community event so please do take full part and help us make it the best it can be. We wish you a safe, enjoyable event and happy cycling before, during and after.

Gerry Boswell
Chairman
York Rally Committee

From the '50s...

Many thanks to John Thompson and Alan Bradley, who contacted the Rally with historic reports from the CTC magazine of the 1950s.

Alan Bradley writes:

"This was in an old CTC mag (1996) but it shows a tandem-towed cycle caravan at a much earlier Rally, the tenth anniversary event in 1954."

Faded memory: Reg Stone of Huddersfield snapped this unused outfit parked near the entrance to the Rally at the tenth anniversary event – in 1954. OK, so they don't make them like that any more, but can anybody supply the story behind the picture?

John Thompson writes:

"The report is from the 8th Rally, in 1952. My father, David Thompson of Ripon Wheelers, can be seen on the Old Ordinary (Penny Farthing) which he rode all the way from Ripon to the event, and then beat three other competitors in the Old Ordinary race on the day."

Young David Thompson gave a fine display of speed on this old Ordinary.
