## York Rally Saddlebag Sale Cycle Jumble

Sunday 19<sup>th</sup> June 2022

### Table booking form

The Saddlebag Sale is the York Rally's traditional and very popular cycle jumble. Please note this sale is for **secondhand goods only** – absolutely no traders with new items please.

For 2022 there must also be **no complete bikes** in the sale – this to provide additional space for sellers and buyers.

We also know that a number of people would like to sell their items throughout the Rally, rather than just in the limited time (and crowds!) of the Saddlebag Sale on the Sunday of the Rally. To comply with trading rules from City of York Council, anyone wishing to sell items on an ongoing basis during the Rally is invited to contact our Trade Co-Ordinator, Charlie Hodge, on trade@yorkrally.org or on 07825 229 201 – for small traders a pitch in the trade show area will not be expensive (and you can sell new items, too, if you wish).

**You can book a 2022 Saddlebag Sale table by post. Please complete this form and return it to the address below so that it reaches us before 1<sup>st</sup> June 2022.**

## York Rally Saddlebag Sale Cycle Jumble - Info for sellers

The marquee will be open for setting up your tables from 10AM on Sunday 19 June. Sale opens to the public 11 AM.

- When you arrive on site, please mention to the marshals on the entrance that you are a Saddlebag Sale/cycle jumble seller and you will be directed up to park near the marquee where the sale takes place. Please go dead slow on the Rally site.
- Please note that in 2022 all loading/unloading will again be from the rear of the marquee: no vehicles are permitted in the central event area. Parking for unloading and loading will be clearly signed and marshalled: please do not attempt to park anywhere else.
- There are just 30 tables available, and these are being allocated on a first come, first served basis. A table costs £16. These prices just about cover the increasing costs for hiring the tables, with anything over going towards the cost of hiring the marquee. Any additional donation when you book a table is most welcome, and we also invite sellers to become Friends of York Rally if you are not already a member.
- **For 2022 no complete bikes are permitted inside the Saddle Bag sale marquee**, to help ensure space for distancing.

### Saddlebag Sale – donate and declutter!

**Donations welcome** – please bring your (sellable!) spare kit and help raise funds for the Rally. We'll have a table set aside in the Saddlebag Sale cycle jumble for donated cycling parts, accessories and clothing, which will be sold to raise funds for the Rally. In 2019 this raised a tremendous total of around £1000 for the Rally.

All parts and accessories, good condition clothing and even complete bikes are very welcome.

All funds raised will go to supporting the Rally, and any items left unsold will be donated to the York organisation "Bikes in Need" who provide bikes, locks and lights to newly arrived refugees.

Please bring your donations to Rally HQ before 10AM on Sunday morning. If you are able to donate a complete bike, please bring it to HQ before 10AM on Saturday, so that we can enter it into the auction.
